

# TPS Pallet Truck Scales

## General Specifications

• Display	52mm LCD display, white LED backlight
• Capacities	1t, 2t
• Keyboard	7 keys (Mechanical keyboard)
• Housing	Mild steel
• Max. Divisions	2,000e; 4,000d
• ADC	Sigma delta
• ADC update	≤ 1/10 second
• Operating Temp.	-10°C~+40°C
• Power	AC adapter (12V/500mA), Internal rechargeable battery (lead acid 6V/10Ah)
• Gross Weight	160kg
• Packing	(Wide Fork) carton packing, dimension 0.82m <sup>3</sup> (Narrow Fork) carton packing, dimension 0.60m <sup>3</sup>

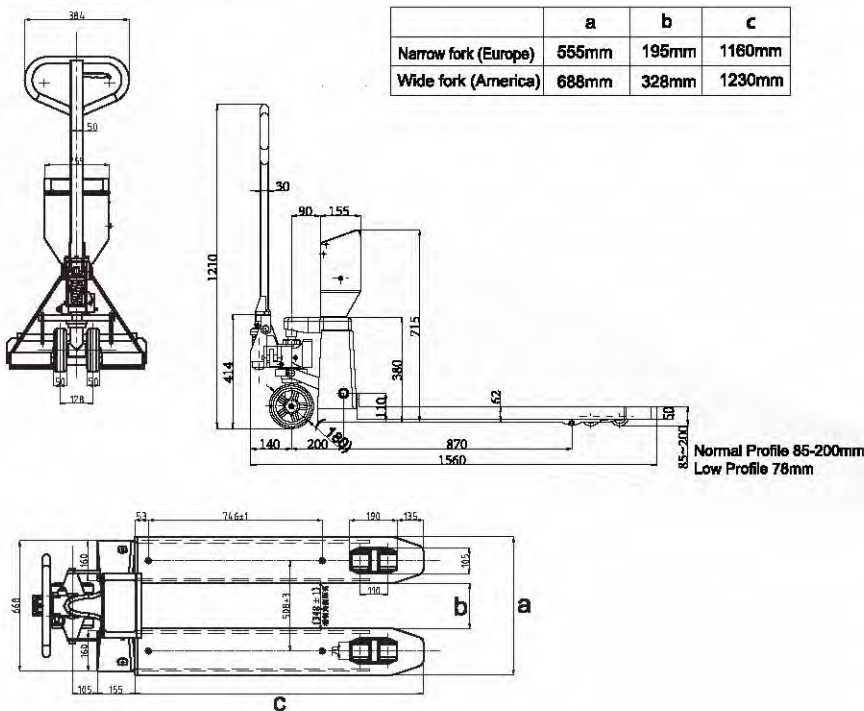

- Instant weight readings are available as soon as the forks are raised
- Applications: 1. Weighing unit conversion 2. Net/gross shift 3. Tare
- OIML approval from DELTA (approval no.DK0199.445)
- Easy access junction box
- Rugged construction for long life
- Rechargeable battery provides up to 60 hours of continuous use (without backlight)
- Built-in thermal printer (TPS-II)
- Without thermal printer (TPS-I)
- Optional initial-verification

# TPS Pallet Truck Scales
